A Bit of History

For over 20 years the Kiwanis Club of Geelong organised and ran an annual Senior Citizens Concert as part of the State Government Senior Citizen Week celebrations. Most years around 350 senior citizens from Geelong, Colac and as far away as Apollo Bay came to enjoy the entertainment, join in the sing-song and enjoy drinks and an ice cream. Popular not only to the seniors but also to the entertainers who regularly booked themselves in to appear again the following year.

What's Happening

On Saturday 2nd April Bunnings provided an opportunity for clubs and other organisations to promote themselves outside the Waurin Ponds store when they set up tables near the garden entrance. We set up a tent with Kiwanis information and promotional material for our upcoming Doll and Teddy Show. George Welsh was there early setting up the tent and banners, he came back later to tidy up. Carmen and Bob Chapman together with Jennifer Anderson looked after things with Graham Mould popping in for a while. Not rushed of their feet but the exposure was worthwhile. A men's shed group were propositioned to have a table at the Doll & Teddy show selling the wooden toys they make.

It was mainly an event for the kids with an animal enclosure with goats and chickens and other animals for the kids to pat. A bubble and water fun area had the kids making giant bubbles. An Emergency Response Vehicle was on display. Bunnings also donated a couple of gift vouchers to us for our attendance.

Another Bunning Sausage Sizzle fund raiser took place on Sat 9th April. Graeme had difficulty getting a full crew but managed in the end. Graeme has provided a separate report on funds raised and expended.
