### New Club

On Australia Day, Jan 26<sup>th</sup> 2024 the Official Formation of a new Kiwanis club in the Geelong region took place. The Kiwanis Club of Barwon Seed of Faith was formed with most of the new club members in attendance.

Kiwanis Geelong was represented by George Welsh, Spencer Harding and Graham Mould, while from the Australia District there were New club organizer and Chairman for the meeting Tony Gunn, District Governor Ian Randall and District Chair for Heartkids Angela Randall.

The meeting went through all the required steps to form a new club with the club name and Bye Laws, formalised and the officers and board members of the new club formalised. A light lunch was served after the meeting at which new friends were formed and old friendships strengthened.

Once the documents of formation have been sent to the International headquarters in the U.S.A and accepted then the next step is the Charter Ceremony to celebrate and recognise the new club and its Charter Members.

More news on that as it comes to hand.

**OLD AGE**

To me old age is always fifteen years older than I am. (Bernard Baruch)

If I'd known I was gonna live this long, I'd have taken better care of myself (Eubie Blake)

Will you still need me, when I'm sixty four? (John Lennon-Paul McCartney)

I woke up this morning and I'm still alive, so I am pretty cheerful. (Spike Milligan)

One of the worst things about being old is eating. First you have to find something you can eat and second not to drop it all over yourself. (Toni Morrison)
